## CLASS 59 'CAKE TO A SPECIFIED RECIPE'

### ALLOTMENT CAKE

#### Ingredients

##### *For the Carrot layers*

200g light brown sugar  
2 eggs, beaten  
200ml sunflower oil  
200g spelt flour  
 $\frac{3}{4}$  tsp bicarbonate of soda  
 $\frac{3}{4}$  tsp baking powder  
 $\frac{3}{4}$  tsp cinnamon  
 $\frac{1}{2}$  tsp ground ginger  
200g carrots  
 $\frac{1}{4}$  tsp vanilla extract

##### *For the Courgette layers*

100g golden caster sugar  
2 eggs, beaten  
125ml sunflower oil  
225g spelt flour  
 $\frac{3}{4}$  tsp bicarbonate of soda  
 $\frac{3}{4}$  tsp baking powder  
 $\frac{3}{4}$  tsp mixed spice  
250g courgettes, grated

##### *For the frosting*

50g butter, softened  
250g cream cheese  
660g icing sugar

#### Method

1. Heat oven to 180°C/160°C fan/gas 4. Line 4 x 20cm cake tins with baking parchment (or use 2 and make the carrot sponges first, then the courgette layers).
2. Start by making the carrot layers. Put the sugar, eggs and oil in a large mixing bowl. Using an electric whisk, beat until incorporated. Sieve the flour and all the dry ingredients into the same bowl, then gently fold in before adding the carrot, a pinch of salt and vanilla extract. Stir to combine.
3. Divide the carrot cake mixture between 2 of the prepared cake tins and bake for 20-25 mins or until golden brown and firm to the touch. Leave the cakes to cool in the tins for a few mins and then turn out onto wire racks when cool enough to handle.
4. Meanwhile, make the courgette layers. Put the sugar, eggs and oil in a large bowl and use a hand whisk to combine. Sieve in the dry ingredients and fold in, then add the courgettes and mix together.
5. Pour the courgette cake mixture into the remaining 2 cake tins and bake for 20-25 mins or until golden brown. Leave to cool in the tins, then turn out onto wire racks to cool fully.
6. To make the frosting, tip the butter into a large bowl and beat with an electric hand whisk until smooth. Add the cream cheese and beat again. Sieve in the icing sugar and beat until combined.
7. Layer-up the cakes alternately, spreading a little frosting between each layer as you go. Cover the whole cake with the rest of the frosting.

## DIAMOND JUBILEE TOP TRAY CLASS

The Top Tray class is for a collection of three types of vegetables taken from the following list of fifteen. The quantity of each vegetable required for the collection is given in brackets: **carrots (3), cauliflower (2), onions (3), parsnips (3), peas (6 pods), potatoes (3), runner beans (6 pods), tomatoes (6), french beans (6 pods), sweetcorn (2), pepper (3), cucumber (2), courgettes (3), red beet (3), aubergines (2).**

Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: 7 points for size, shape and colour; 7 points for condition; 6 points for uniformity. The overall mark will be out of a total of 60.

All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45cm by 60cm (18x24in) without bending any part of them. No part of any exhibit may exceed the size of the tray. A tray or board measuring 45cm by 60cm (18x24in) can be used to display the vegetables, or an area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 45cm by 60cm (18x24in).

A black cloth is permitted, and the tray may be painted. Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand, rings and so on, will be allowed. Onion tops may be tied or whipped using raffia or string.

- Carrots and parsnips must have foliage trimmed back to 7.5cm (3in).
- Peas and beans must be displayed with some stalk attached.
- Tomatoes must be displayed with calyces (the green flower bud case).
- Judges may handle exhibits, open pods etc. to check for quality.
- The tray, board or staging must not be cut or mutilated in any way at all - such as cutting holes for standing onions in.

## DIAMOND JUBILEE TOP VASE CLASS

The **Top Vase** class is for a vase of mixed flowering stems containing a total of between 5 and 10, taken from a minimum of two different kinds of plants. Please note that it is two different **KINDS** of plants, two varieties of the same plants are **NOT** two kinds.

The display is judged out of a total of 35 points, split into 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effects of the flowers in the vase. The vase will be viewed from all directions. Judging of flowers will be to the normal rules used for other classes.

Stems used in the display must be showing flowers only, no seed heads or berries will be allowed.

The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.

- No accessories such as bows and additional foliage will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to that stem, is allowed. Packing material - including florists' foam - to keep the stems in place is allowed.
- Flowering stems can be taken from ANY flowering plant.
- The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and sweet william - which are all dianthus - would not be classed as different kinds. • Use only fresh, home-grown flowers. No dried or silk flowers allowed.
- A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.

**Failure to abide by any of these rules will lead to disqualification**
